

Summary of our recommendations

We have considered all the representations received in response to our request for warding proposals.

Our draft recommendations propose that Dartford Borough Council should have **42 councillors**.

Those councillors should represent 7 three-councillor wards, 8 two-councillor wards and 5 one-councillor wards across the council area.

An outline of the proposals is shown in the map to the right. A detailed report on the recommendations and interactive mapping is available on our website at: www.lgbce.org.uk.

The Commission welcomes comments on these draft recommendations, whether you support the proposals or wish to put forward alternative arrangements.

In particular, the Commission welcomes proposals for alternative boundaries or ward names which meet the criteria we must follow as part of our review and which are described in more detail over the page.
