We help local people use their energies and talents to deliver sustainable community enterprises that can support other local people, creating jobs and volunteering opportunities. - Community Catalysts can support people who are currently running a community micro-enterprise that helps older and disable people. We can also help people who are interested in starting a new enterprise. - News from NHS Kent and Medway: 1 July 2022 Friday, 1 July marks a significant change to the way health and care will be governed in Kent and Medway and across England. From today, 42 statutory integrated care systems will bring together the NHS, councils and other partners to plan and deliver health and care services in their area. The legal introduction of integrated care systems, via the Health and Social Care Act 2022, sees clinical commissioning groups dissolved. Kent and Medway Integrated Care System (ICS) is a partnership that brings together partners, including NHS services, councils and others, to plan, co-ordinate and commission health and care services. This is a shift in the way the health and care system is organised – away from competition and towards collaboration – with health and care organisations working together to improve population health. - Kent Fire and Rescue Service (KFRS) Summer Open Days
