A maximum of 3 minutes is allowed per person to speak and the total length of time afforded for public participation at each meeting shall be no more than 10 minutes, subject to an extension of this time, in exceptional circumstances, being agreed by the Chairman.

17	<p><u>Footpaths</u></p> <p>17.1 DR22 and DR23</p> <p>The responsibility for the footpath from School Lane to the High Street via The Mount (DR23) and the footpath from Stonewood to the High Street via Drudgeon Way (DR22) is that of Kent County Council. The Public Rights of Way Officer for Dartford was asked for confirmation on when these will be cut back.</p> <p>He responded and advised (23 May 2023) that the contractor is currently in Sevenoaks and will be there for another 2 weeks at the outside, so unfortunately our paths will not get cut for another fortnight at least (possibly w/c 5 June 2023) However, the PROW Officer has confirmed that he will ask the contractor to cut our footpaths first when he comes to the Dartford area.</p> <p>With regard to the 'side alleys' (included by the builders at the time of the house building in Beacon Drive) linking Beacon Drive to DR23 these are unadopted/no-man's land in so much they do not fall under the responsibility of DBC, the PROW Officer or Kent Highways. Bean PC has, in the past, when we had a Parish Handyman, cleared the alleyways and last year we were successful in negotiating with Kent Highways to clear them. Following negotiations on 26 May KCC Highways advised that they will clear the alleyways again for us and the work has been included on a '28-day job'. It should be noted that it cannot be expected that this arrangement will necessarily continue for future years.</p> <p>17.2 DR20</p> <p>DBC have advised that in May they issued a community protection warning (CPW) which requires that the occupant(s) undertake a number of requirements to ensure that there is no further discharge of sewage onto the footpath.</p>
